

What's been happening...

Our Adventures this Term.

This term at Padbury OSHClub, we've continued to thrive with our Snack Squad, Creative Inventors, Power Teams, and Super Sports programs. We've also enjoyed celebrating Educator's Day and Father and Special Person's Day.

For Educator's Day, we honoured our dedicated educators and children with a delightful afternoon tea that we prepared together. It was a wonderful opportunity for everyone to show appreciation and enjoy some quality time.

During Creative Inventors Week, the children had a blast exploring various activities. Among the favourites were the exploding and ninja star pop sticks, recycled catapults, and photography illusions. These projects allowed the kids to engage in imaginative play and hands-on creation, blending arts, crafts, and inventive thinking.

For Father and Special Person's Day, the children crafted heartfelt cards, letters, and drawings for their dads and special people. We also organized a charming afternoon tea for the parents at OSHClub, featuring cakes and brownies that the children baked and decorated themselves. The parents were touched by the thoughtful cards and enjoyed the delicious treats made with love by their children.

In our Super Sports program, badminton, soccer, and handball have been major hits. The highlight was a spirited badminton tournament where the children showcased their skills and competitive spirit.

Overall, this term has been filled with creativity, celebration, and active fun, making it a memorable period for both the children and their families.

Club news

This term, for National Superhero week, we encouraged our children to wear superhero costumes and participate in a range of super activities such as making superhero names and badges, masks, sticky spider web competition. This event is hosted by Muscular Dystrophy Australia to raise awareness and to support children with neuromuscular disease. Our children won prizes for the best costumes and for winning the games we had.

Our Flavour Fest program continues to be a hit, featuring our Breakfast Club and Snack Squad activities. Children eagerly participate in preparing and enjoying meals with their friends. This term, our crowd Favorites have been:

- Pizza rolls
- Cheesy garlic bread
- Mac and cheese
- Nachos, beans and dips
- Fruit and yoghurt cones

Projects

Together we worked on...

This term, our cultural project centered around the creation of an Olympics Board. The students took an active role in updating the medal tally for the leading countries and keeping track of the daily sports schedule. Additionally, they explored the different sports featured in the Olympics and gained insights into the rich history of the Games.

In line with our commitment to sustainability, this term we have been collecting food and fruit scraps. Each day, our students have been diligently placing these scraps into the chicken bin to provide food for the chickens at our school. We look forward to continuing this practice next term, as it benefits the environment and instills a sense of responsibility in our children.

For our community project this term, our children will embark on an exciting initiative to create arts and crafts for the residents of Aegis Care Woodlake. We plan to make personalized items such as bookmarks, paper flowers, letters, and drawings for each of the 103 residents. To ensure that each resident receives a special and unique gift, this project will extend into the next term.

This initiative will not only encourage our children to actively participate in their local community but also foster a deeper understanding of the world around them. By engaging in this meaningful activity, they will develop a greater appreciation for the impact of their contributions on others.

Coordination Corner

We extend our heartfelt thanks to everyone for being part of our amazing team this term. We are thrilled to welcome back our regular staff and excited to introduce a few new faces to our OSHClub family.

Current OSHClub Team:

Zaynab (Coordinator)

Marion (Permanent Responsible Person)

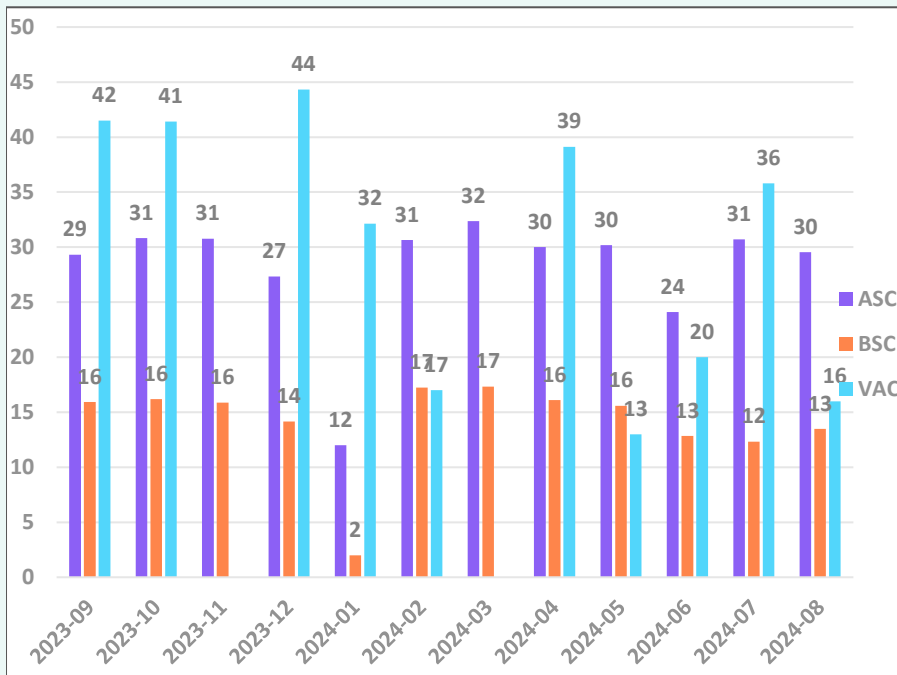

Pranita (Permanent Assistant Educator)

Marylin (Casual Assistant Educator)

Chanel (Casual Assistant Educator)

Vanessa (Casual Assistant Educator)

Utilisation and Vacancies

Recipe

Favourite Flavour Fest recipe of the term

Pizza Rolls

Frozen Puff pastry

Your favorite pizza sauce

Pepperoni

Mushroom, diced

Capsicum, diced

Shredded cheese

Separate the pastry and spread a layer of pizza sauce over it. Add your desired toppings, then sprinkle cheese generously on top. Roll up the pastry, slice it into 2-centimeter pieces, and bake in the oven until golden brown. Allow the pastry to cool slightly before serving. Enjoy!
